INTRODUCTION

The SIPAB SUMMIT ACCRA 2024 on Food and Agriculture brings substantial Agribusinesses together to facilitate mutually beneficial partnerships in commerce, innovation and technology. Agriculture plays a vital role in ensuring global sustainable food systems and development. To optimize production and increase global commerce and food security, we are using this platform to bring together agribusiness stakeholders across the value chain.

 - Fresh (farmers market)
 - Processed
2. Demonstration stands
3. Offices | Official spaces
4. 2 Conference rooms

SIPAB CHAMBER OF COMMERCE

The Sustainable Improvement of Productivity for All Businesses (SIPAB), serves as chamber of commerce under the Shout Africa Foundation in Africa. The SIPAB SUMMIT ACCRA 2024 on Food and Agriculture brings substantial Agribusinesses together to facilitate mutually beneficial business partnerships in agriculture, innovation and technology.

Our vision is to promote global economic growth with focus on Africa by supporting the Sustainable Development Goals 1, 2 and 3.

Agriculture plays a vital role in ensuring global sustainable food systems and development. To optimize production and increase global commerce, we would like to use this platform to bring together

1. Countries, organizations and individuals across the world who are in the food and agriculture value chain and would like to network and grow.
2. Manufactures, technological and innovators across the world including organizations promoting climate-smart initiatives to support the food and agriculture business

We will have expert panels, keynote addresses, workshops and products/services exhibition. There will be exchange between high-level experts of the global Agro-food sector from politics, industry, science, and civil society allowing visitors to explore a wide range of topics, products and services.
